

Yacht "Bianca"

The 10.31 m long and 3.14 m wide yacht Bianca offers you extra special comfort and luxury which you have a right to expect from a yacht of this class. The Windy Khamsin 34 Yacht has the right power (2 x 286 hp), the luxurious size (10 people, 2 cabins, 4 berths) and the elegant fittings (mini-bar, wakeboard, water ski)

With the two powerful Volvo PentaKAD 300 motors, the yacht Bianca reaches a maximum speed of 50 knots with its Z-drive. In this way, the weight of 4,900 kg is turned into a calm, pleasantly powerful sailing experience. Glide with power and style across the Lake!

With an overhead clearance of 2.70 m, you will come into the port elegantly with Bianca and can also enjoy going under the bridge without any problem during a trip on one of the rivers. The bow thruster ensures problem-free manoeuvring into the port. With the balance assemblies you can adjust the yacht to every sailing condition.

The 700l diesel tank is enough for about 12-15 hours of pure yachting pleasure and if you simply want to enjoy the journey with the yacht Bianca for longer, we have put together a list of marina services for you.

Thanks to our free collection and delivery service you can also collect and return the yacht Bianca at one of the following ports: Locarno Porto regionale di Locarno SA, Ascona Porto al Patriziale, Minusio – Mappo, Tenero - Porto comunale, Magadino.
