

Yacht "Freedom"

The "Freedom" is a Sea Ray 260 SD. 7.90 m length and width of 2.59 m make this yacht into a flexible all-rounder – perfect for a sun-filled day on Lake Maggiore. And if it is a bit too sunny for you, then the optional sun roof gives you pleasant shade.

The 300 hp strong Mercruiser 5.7 petrol engine gives the Freedom the right speed of up to 37 knots (approx. 70 km/h). The Z-drive lets the 2,800 kg light craft glide casually over the waves and contributes to a dynamic sailing experience due to the balanced combination of weight and horsepower.

Thanks to a petrol tank containing 300l, the 50l fresh water tank and the economical usage by Freedom, you only have to interrupt the journey with the Freedom on Lake Maggiore for a short stop at one of the petrol stations. Test the endurance of the Freedom. The low overhead clearance of 1.8 m also guarantees you high mobility. Because of this, bridges and ports on Lake Maggiore and its tributaries are not obstacles for you, but gateways to freedom.

For your escape from the day-to-day you can take up to 8 persons. Two berths offer brief relaxation below deck with a pleasant amount of space and a high degree of comfort for lying down.

Thanks to our free collection and delivery service you can also collect and return the yacht Freedom at one of the following ports: Locarno Porto regionale di Locarno SA, Ascona Porto al Patriziale, Minusio – Mappo, Tenero - Porto comunale, Magadino.

Technical data
